Reference number	LE-1916-AT-22-11
1. Building product	Precast pipes and fittings made of unreinforced concrete, steel-fiber concrete, and reinforced concrete, with flexible joints.
2. Intended uses	Transport of wastewater, rainwater, and surface water as a gravity pipeline or occasionally under low pressure, typically installed underground.
3. Manufacturer	Johann Bartlechner GmbH & Co.KG Gewerbestraße – Nord 3 A – 3134 Nußdorf ob der Traisen
4. Authorized representative	Not relevant
5. Systems for evaluating and verifying consistency of performance	System 4
7. Performance of the notified body according to the harmonized standard	Not relevant
8. Performance of the notified body according to the European Technical Assessment	Not relevant

9. Declared performance of the construction product

<i>Essential characteristics</i>	<i>Performance</i>	<i>Harmonized technical specification</i>
Access openings	Meet applicable safety requirements	EN 1916:2002/AC:2008
Dimensional tolerance related to	Maintained according to factory documentation	EN 1916:2002/AC:2008
Crown compressive strength	Calculated but minimum LC 135	EN 1916:2002/AC:2008
Longitudinal bending strength	Dimensions sufficient (or for pipes ≤ 250 , requirements of 4.3.6 are met)	EN 1916:2002/AC:2008
Watertightness	No leakage at a test pressure of 0.50 bar	EN 1916:2002/AC:2008
Durability	Sufficient for normal service conditions. Durability of joints verified according to Procedure 2.	EN 1916:2002/AC:2008

The performance of the product identified above is in conformity with the declared performance(s). The manufacturer is solely responsible for issuing this Declaration of Performance in accordance with Regulation (EU) No. 305/2011.
